# **Our comprehensive curriculum**

Transform the way you – and the world – approach HR with our CIPD-accredited Online MSc in Global Human Resource Management, a degree that doesn't just focus on managing people, but transforms how people are managed.

From strategic talent development to global workforce dynamics, you'll gain cutting-edge skills to shape organisational culture and drive impactful change.

Real-world case studies, interactive projects, and collaborative communities will get you ready to lead and innovate in diverse HR settings. You'll walk away armed with strategies that resonate across cultures and industries, and feel ready to tackle the evolving challenges of international HR with confidence and agility.

## **Modules:**

With Roehampton Online, learning is possible anywhere, anytime, and in any way. In this programme, you'll work through each forward-looking, research-driven module at your own pace, allowing you to balance your studies and personal commitments with ease.

You'll engage in a blend of hands-on learning and innovative assessments, applied projects, and a practical dissertation to challenge your analytical thinking and problem-solving skills to prepare you for the real world.

- Managing Across Borders
- Principles of Human Resources Management
- Equality, Diversity, and Inclusion in the Workplace
- Human Resource Specialisation
- Global Strategic Management
- Leadership and Change Management
- Business Research Methods
- Dissertation or Consultancy Project

# Engaging modules at your convenience

## **Principles of Human Resource Management**

Explore the foundational principles of human resource management. Develop essential skills for effective management and leadership, including ethical considerations, workplace equality, and diversity. Enhance your abilities in reflective thinking, problem-solving, team collaboration, and interpersonal communication.

## **Managing Across Borders**

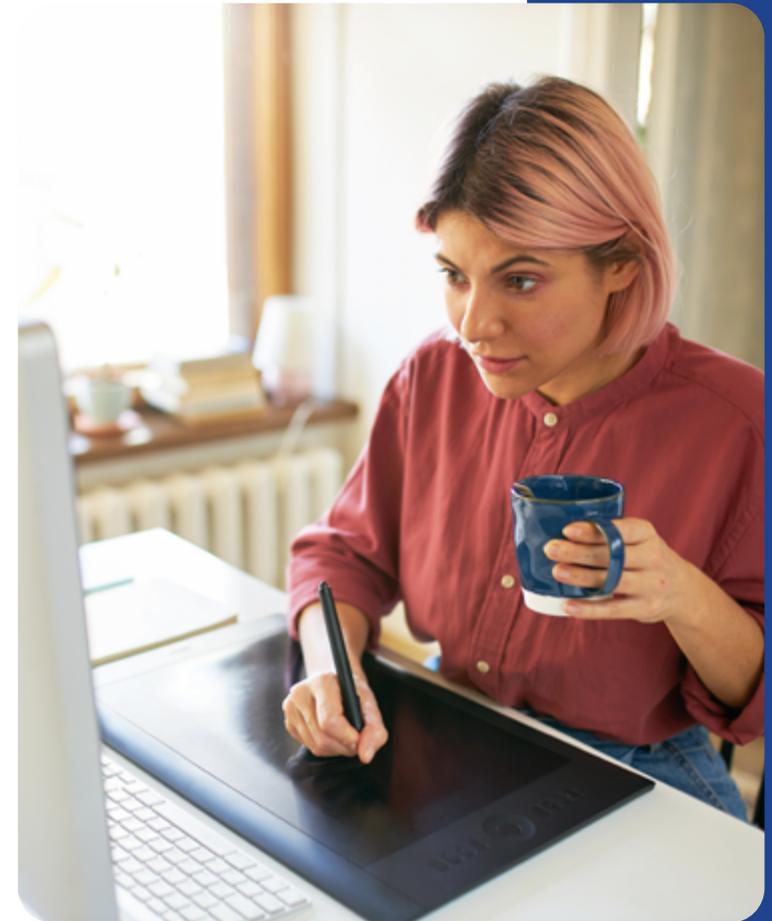

Delve into the complexities of managing international teams and operations. Gain insights into global business environments and cultivate skills for effective cross-cultural management and global collaboration, addressing both challenges and opportunities in international contexts.

## **Equality, Diversity, and Inclusion in the Workplace**

Discover strategies to foster inclusive workplace cultures and promote equality and diversity. Learn how to create environments that embrace diverse perspectives and leverage them for organisational success, enhancing your ability to drive positive change.

## **Human Resource Specialisations**

Examine the role of HR professionals and the skills required for various specialisations within HR. Develop practical expertise in areas such as self-management, team leadership, decision-making, and communication, including financial information, and consultancy skills.

## **Global Strategic Management**

Navigate the complexities of international business with a focus on corporate strategy and social responsibility. Understand how sustainability practices shape international business policies, stakeholder relationships, and strategic decisions.

## **Leadership and Change Management**

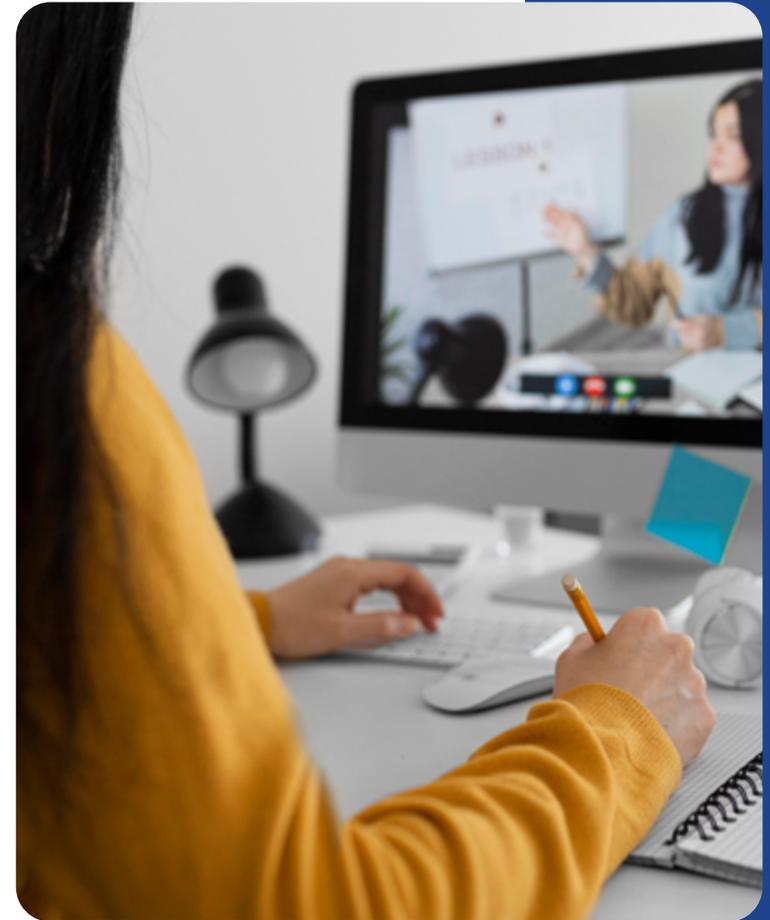

Enhance your leadership capabilities and strategies for managing organizational change. This module provides insights into leading transformation initiatives and fostering adaptability, crucial for achieving positive outcomes in dynamic business environments.

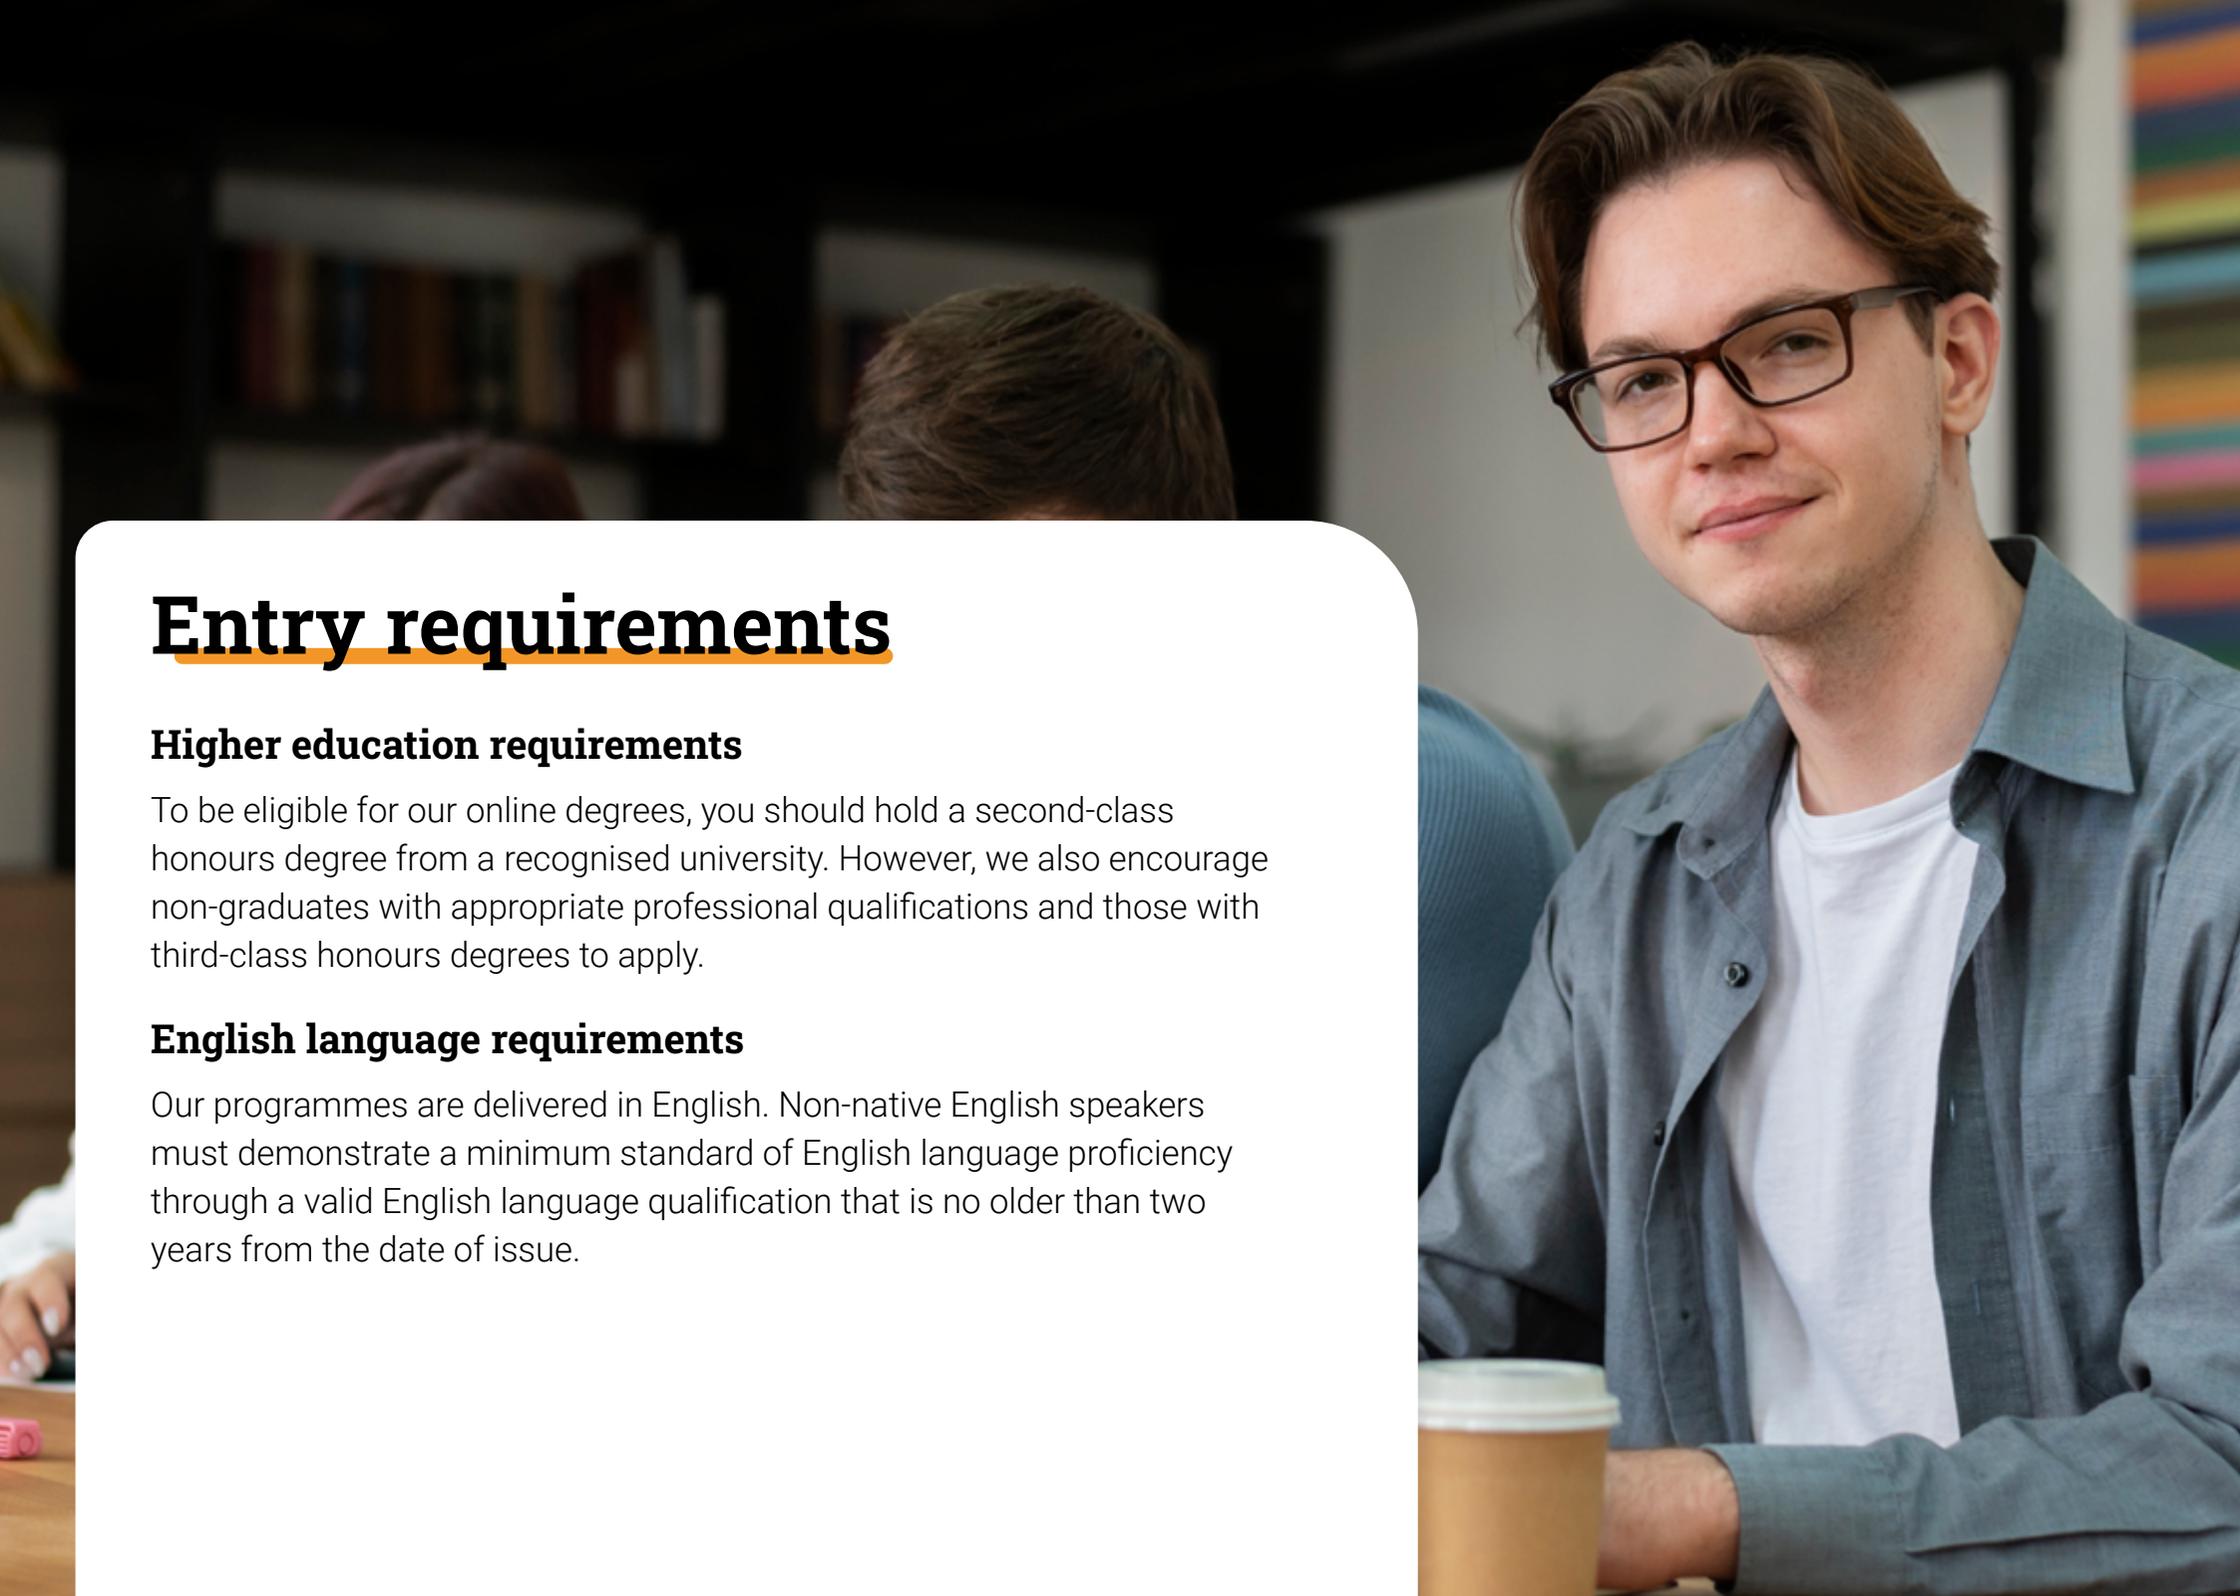

## **Business Research Methods**

Learn essential research techniques for business and management. Explore different research approaches, critically evaluate factors affecting research quality, and effectively use academic literature.

## **Dissertation or Consultancy Project**

Apply your knowledge to a deep study of a specific issue in the field, consolidating your learning from the programme.

# Entry requirements

## Higher education requirements

To be eligible for our online degrees, you should hold a second-class honours degree from a recognised university. However, we also encourage non-graduates with appropriate professional qualifications and those with third-class honours degrees to apply.

## English language requirements

Our programmes are delivered in English. Non-native English speakers must demonstrate a minimum standard of English language proficiency through a valid English language qualification that is no older than two years from the date of issue.

# Your programme leaders

**Dr Alison Watson**

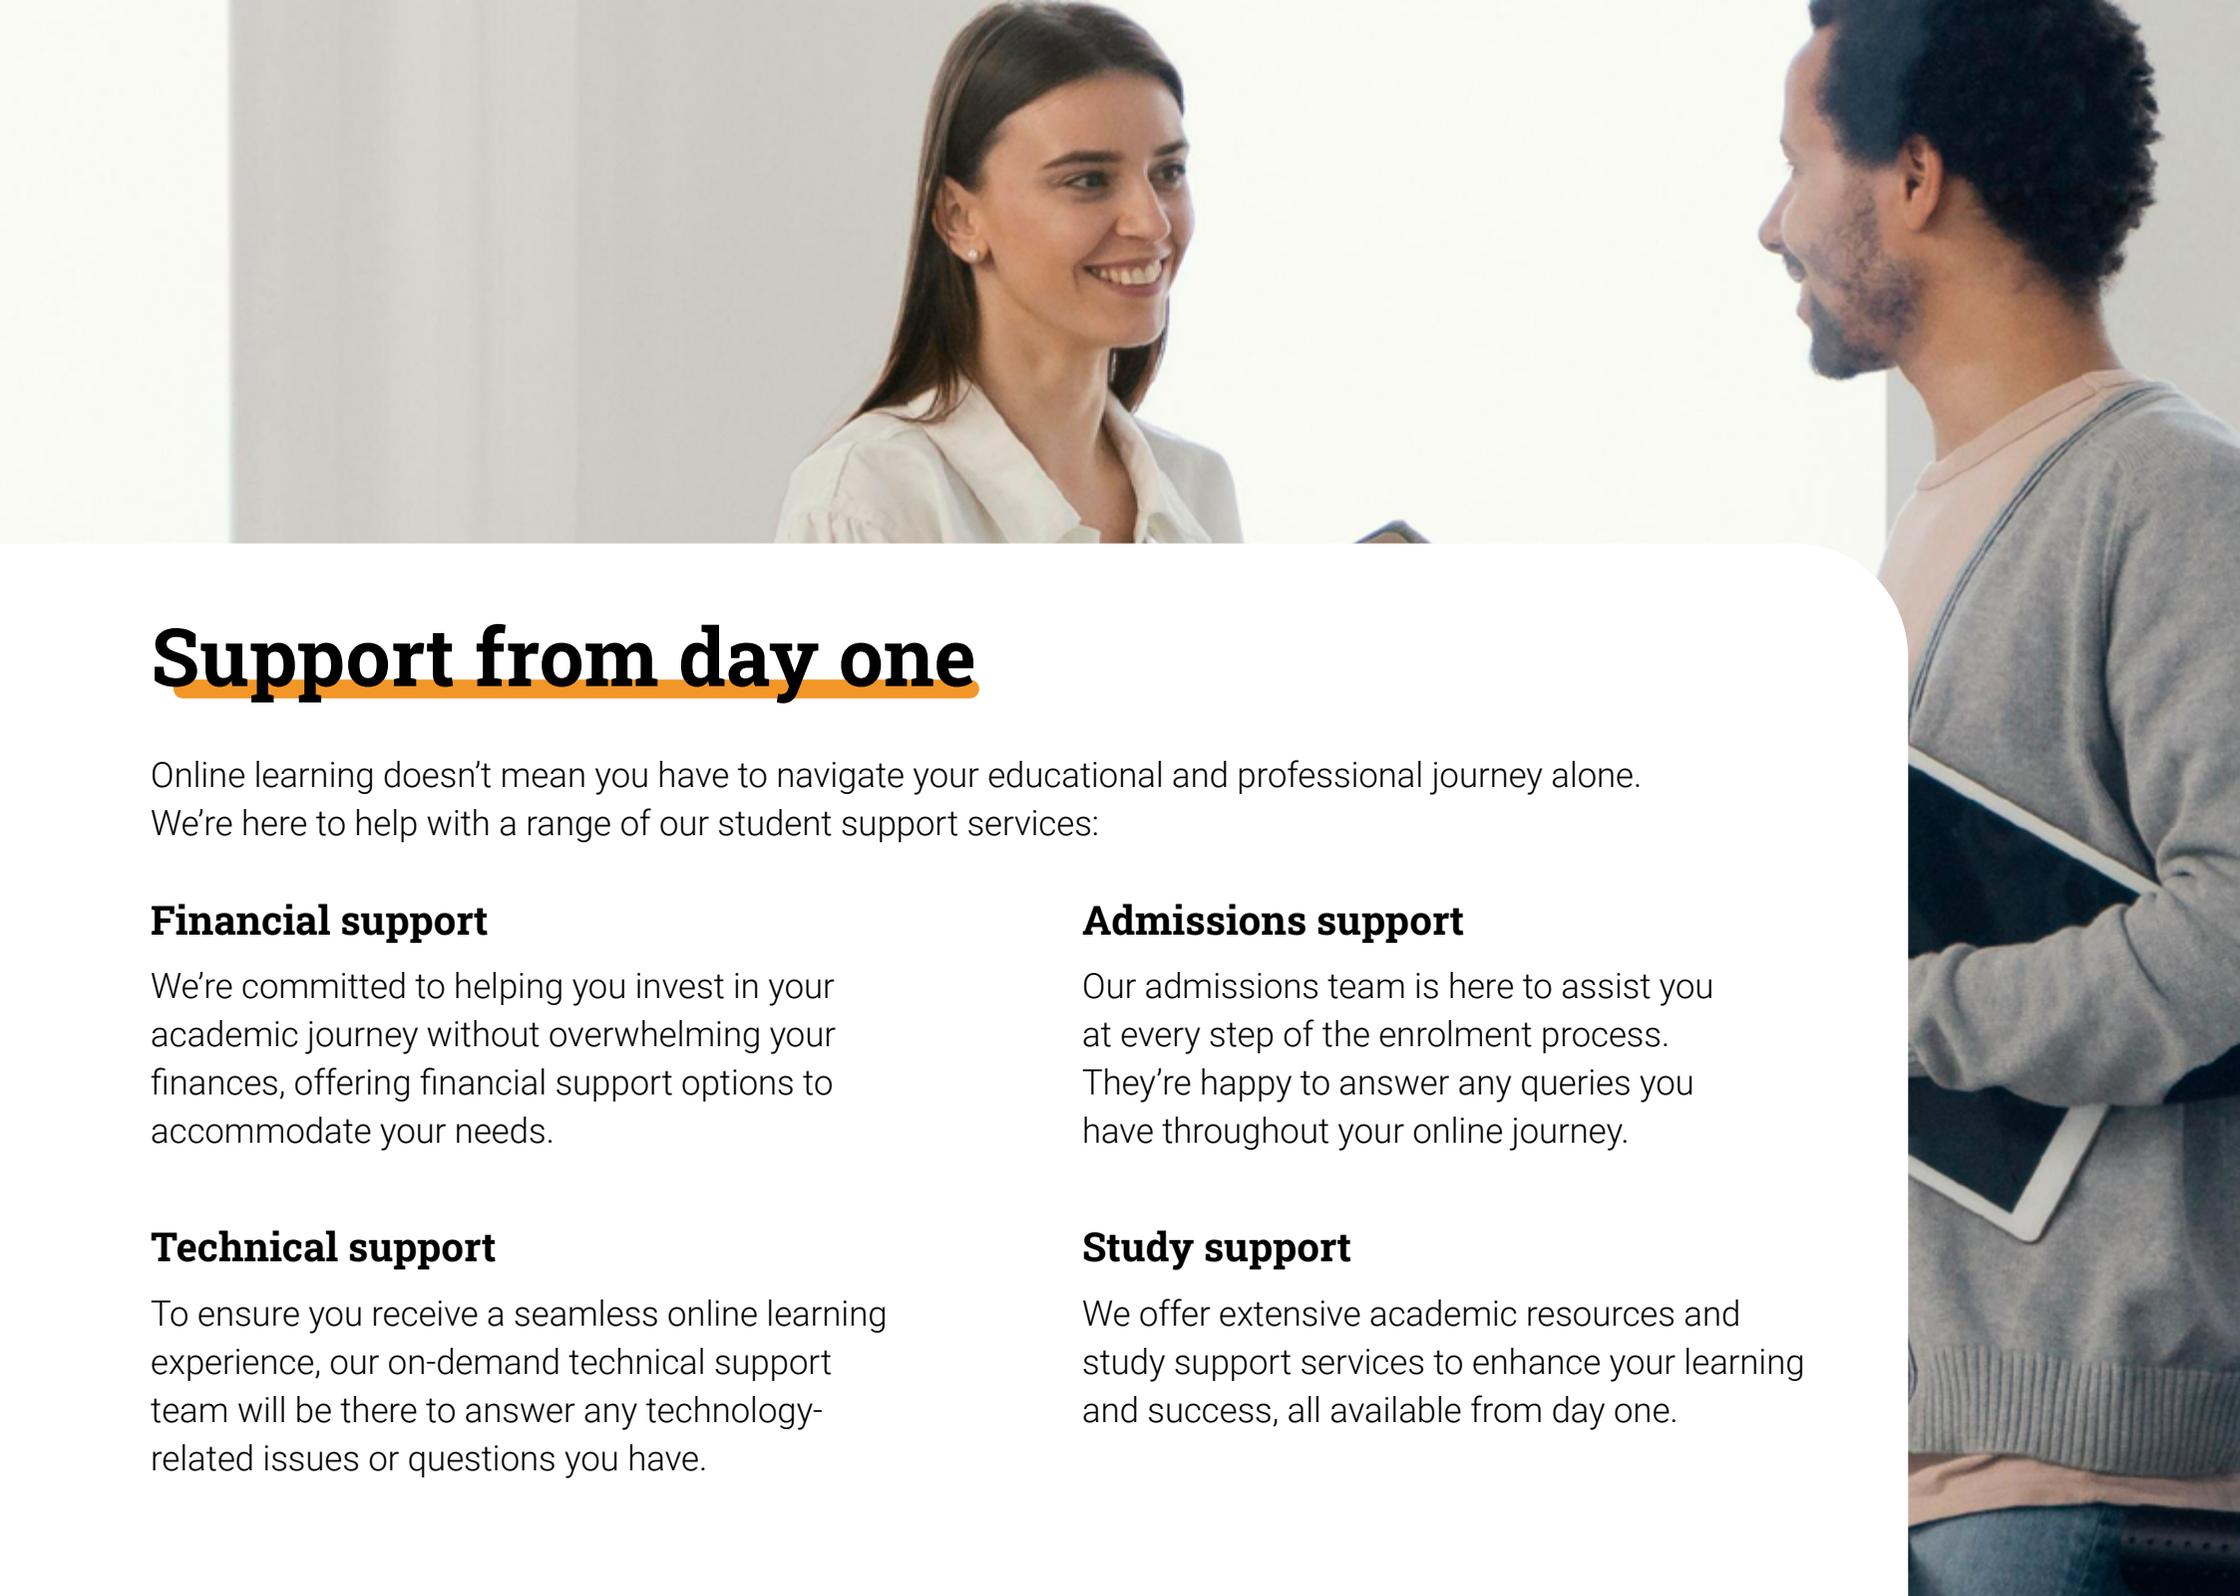

Professor Alison Watson is a senior academic leader specialising in leadership, sustainable development and accreditation. Formerly a Head of School at Arden University she oversaw student success and outcomes for 12,000+ students and delivered a globally recognised MBA redesign. A Principal Fellow of AdvanceHE, Chartered Manager (CMI) and Chartered Marketer (CIM), her research covers marketisation of HE, segmentation, student recruitment and e-learning, with current work on responsible leadership. She holds an MBA (Leicester) and a PhD (Teesside).

Dr. Maria Argyropoulou brings extensive academic and managerial experience to the Roehampton campus. Over the past decade, she has focused her research on entrepreneurial economics and organisational studies. Her expertise spans business development, management, innovation, leadership, information technology, strategic management, and marketing management.
